Work Is Delayed On Museum While Site Plan Studied

The Truckee Donner Chamber of Commerce yesterday voted to ask the division of beaches and parks to delay start of construction of the Emigrant Trail Museum for Donner State Memorial Park until it can be definitely determined whether the location can be changed.

Members of the chamber felt that the museum should be located on the east shore of Donner Lake to provide a view to visitors, while the parks officials have decided it should be near the Donner Monumet.

Officials from the division present were Emmett Blanchfield, regional planning supervisor; Harmon Rowe of the same department; Clyde Newlin, M. M. Whittacker and Jack Stowe.

Cecil Edmunds led the opposition to the division's plans, insisting that more time be given to study before construction is started.

Wires will be sent to state and national officials asking that the money now available totaling $200,000 be held in suspense until it is determined whether or not the site can be changed.

It was pointed out by park officials that the costs of locating the museum would be considerably more and that it is doubtful if the same type of building can be erected for the money available.

Although ground was broken at Donner Memorial State Park Monday for the new Emigrant Trail Museum, work was ordered delayed pending the outcome of a deci-

Continued on Page 10)

Airline Firm Ready For Truckee Field

In anticipation of the opening of the Truckee Tahoe Airport to commercial aircraft, Ted Hunt, president of the Trans-Sierra Airways and Kent B. Diehl, promotional representative of the Squaw Valley Olympic Village and the Argo Travel Agency, met with Chairman John Houlgate, Director Zeph Rose and Secretary Cecil Edmunds of the airport district last Thursday, and discussed the possibility of air service between San Francisco and the Truckee Tahoe area.

Hunt stated the Trans-Sierra Airways is now operating between San Francisco, Sonora, Modesto, Reno and the South Tahoe airport and was enthusiastic about the possibilities of developing travel into the Truckee Tahoe airport. He claimed that a considerable percentage of the present travel on Trans-Sierra into the South Tahoe airport is destined for the North Tahoe area.

Diehl stated that the leasees of the Olympic facilities in Squaw Valley were looking forward to the early operation of this airport, as they anticipated it would greatly facilitate the patronage of that resort. At present he stated the air patrons have to land at Reno and it is a long drive to the valley. Director Rose and Chairman Houlgate expressed interest in developing early travel into the Truckee Tahoe Airport, but pointed out that the completion of the present phase of development this year would not be sufficient to give much encouragement to any commercial service.

Both Hunt and Diehl outlined possible help that they might be able to render to speed up and promote the commercial development of the airport, and Hunt stated he would submit a written proposal of the type of service his firm is in a position to render this area.

WOMAN KILLED HERE HAS BEEN IDENTIFIED

The woman killed in a truck crash on Donner grade last Thursday morning has been identified through the efforts of Captain D. Seevers of the Reno police department as Gwen Austin, a native and presumably a resident of Fallon.

Identification was made through fingerprints.

Mrs. Austin died in the cab of a truck driven by Larry A. Cunningham, 23, of Sacramento, who leaped to safety just before the big grocery laden vehicle plunged off the road and was demolished.

Cunningham was treated for minor inuries at the Tahoe Forest Hospital.

CHILDREN MUST PAY AT STATE'S PARKS

SACRAMENTO — (CNS) — Governor Edmund G. Brown has vetoed a bill which would have prohibited charging groups of school children for entrance to state parks on the ground it might open the door to other exemptions.

The bill was SB209 by Senator Waverly Jack Slattery, Finley.

Under present law, the division of beaches and parks charges 10 cents a person or $2 per busload of children sponsored by a school and accompanied by a faculty member.

Resort Visit—

Mrs. Don Ryan with Terry and Kittie Ellis returned recently from a resort vacation at Redding, accompanied by Mrs. Jewel Ellis.

Initial Attack Plan Is Established For Serious Fire Period

Faced with an unprecedented dry summer and a high fire hazard, the Truckee Ranger District of the U. S. Forest Service has made preparations to give maximum protection by providing an initial attack program designed for speed.

Fire Control Officer Nelson Stone said two fully loaded borate planes are on constant standby at Nevada City and can reach any spot in the Truckee district within 12 minutes after notification.

Supplementing these planes will be a manned helicopter to be stationed here capable of transporting two or three men to the site of a fire within minutes.

Then to top off the initial attack procedure, will be the ten-man suppression crew, equipped with fire trucks and equipment which can be dispatched readily to any section of the district.

The helicopter was used earlier this week to spot fire caused by the lightning storm Sunday and to take men to extinguish the number of incipient blazes.

All the lookouts throughout the forest are fully manned and have instructions to be ever watchful as conditions are serious.

THREE LOCAL GIRLS WILL COMPETE FOR MAID OF NEVADA CO.

By Virginia O'Bear

Three pretty girls from our end of Nevada County will be competing in the Maid of Nevada County Contest on July 15. The ten top contestants chosen will then try out for the finals to be held July 29. The closing date for applicants was June 28 and this contest is sponsored by the Grass Valley Junior Chamber of Commerce.

Sandra Van Sickle was given a personal invitation to enter the contest recently by John Micander, president of the Grass Valley Junior Chamber of Commerce. Sandra is our "Miss Donner Lake" this year and along with her court will reign over the Donner Lake Regatta, July 8 and 9.

Clarita Richards filed her application this week and will appear at the contest, representing Donner Lake. Clarita is a graduate from Brigham Young University and is an executive secretary major. She appeared as second atendant to the queen in the Intercollegiate Rodeo and was chosen from a group of 200 participants.

Terry Beck will be a lovely entry in the contest and she resides in Truckee. Terry was Miss Truckee Fire-Ette two years ago and along with six other girls, reigned over the Donner Lake Regatta. Terry has interesting plans for her future and is looking forward to the Maid of Nevada County contest.

SISTER OF TRUCKEE WOMAN DIES HERE

Mrs. Minnie M. Babb, 72, who for the past two weeks had been visiting here with her sister, Mrs. Ruth Farrar, expired Friday following a brief illness.

Rosary was held Monday at 8 p. m. with mass Tuesday at 10 a. m. at the Assumption Church. Burial was in the Truckee cemetery. The Truckee Colonial Mortuary was in charge of arrangements.

Mrs. Babb was a native of Kansas, born March 9, 1889. She was a resident of Oroville.

A brother, Eli Shaver died two weeks ago in Nebraska and she is survived by four sisters, Mrs. Farrar, Mrs. Hazel Maze of Kansas City, Mrs. Mattie Francis of Iowa, Mrs. M. Rissler of Illinois. There are 19 nieces and nephews.

PLACER FAIR SEEKS LOCAL PRETTY GIRLS

ROSEVILLE — Wanted! Pretty girls from the Truckee-Tahoe area.

Dave Fiddyment, president of the July 26-30 Placer County Fair, said special invitations are being made to young beauties for participation in the annual Maid of Placer County Contest, to be held opening night of the fair.

Any girl may take part, providing she is between the ages of 16 and 26, has never been married, is a resident of Placer County, and has lived in California at least one year.

NEW BABY

Mr. and Mrs. John Edward Money of Kings Beach became the parents of a girl born June 27 in Tahoe Forest Hospital. The new arrival's first weight was registered at slightly over 7½ pounds, her given names were not learned.

Ranger Station Is Fully Staffed For Summer Season

The Truckee Ranger Station was fully staffed this week with the arrival of Robert Peterson, new assistant district ranger. Peterson replaces Norman Anderson, who was promoted and transferred last week to a district ranger position on the Sitgreaves National Forest in Arizona.

Peterson and his wife, Betty, and two daughters, Paula, 14 and Traci, 3, arrived on Saturday from Orleans, California, on the Six Rivers National Forest.

Also arriving last week were Art Carroll and his wife, Diana Carroll, a graduate forester from Michigan State College, will assist in the timber work of the district.

Other permanent personnel on the district include Nelson Stone, fire control officer; Max Meadows, timber sales officer; Henry Toccalini, prevention technician; and Emery McCarroll, fire crew foreman.

Joyce Briley of Truckee has returned as clerk-dispatcher for the season. Doris Cunningham of Truckee is the new timber and recreation clerk replacing Evelyn Stanley of Squaw Valley who is moving to Santa Barbara next week.

Fire lookouts this season are Fred Scott, returning for his 9th year at Martis Peak; Lane Endicott, a 6-year veteran who is taking the Stateline Lookout this year; and Barbara and Leslie French, former Truckee residents,

Continued on Page 10)

Lake Tahoe Passes Peak For Season

Lake Tahoe's level is now past its peak for the year and irrigation water supplies are being reduced by 25 to 30 per cent starting this week.

Claude Dukes, water master for the Truckee River, made the announcement Saturday, saying the reduced supply of irrigation water would stretch the growing season for ranchers in Nevada served by the Truckee.

Dukes said water is being released from Boca reservoir and from Donner Lake to supplement the Lake Tahoe flow so that ranchers can have as much water as the reduced amounts specify.

"Without Boca and Donner water, even reduced amounts of irrigation water could not be maintained," Dukes said.

Tahoe reached its highest point June 16 when the level measured 6,224.46 feet.

GEORGE PACE, JR. IS HONORED IN SCHOOL

George Pace, Jr., student of Santa Clara University left June 13 for Zurich, Switzerland where he has the opportunity to be employed as an engineer for the Electro-Watt Co. for the summer, having been honored by selection as one of only 110 students from the United States for the assignment. In September the young man plans to visit relatives and tour Italy and other countries before returning home to complete his final year at the university.

Mr. and Mrs. George Pace, his parents are well known here where they resided before going to Santa Clara and he is the nephew of Mrs. Walter Loynd and Tony Pace, both of Truckee. Usually during the summer months the youth was employed by Frank Gaiennie.

LOCAL DIRECTORIES IN MAIL THIS WEEK

The new phone directory for Lake Tahoe, Soda Springs and Truckee will be delivered to local homes and businesses this week.

Some 10,200 copies of the new directory—which features a color photo of Donner Lake on the cover—will start reaching subscribers by Wednesday, June 28, Manager L. R. deGallery said. Delivery should be complete by Friday, June 30.

The new 248-page book has 8,500 alphabetical listings and 216 "Yellow Pages" of classified listings.

The new directories used nine tons of paper.

The book includes phone numbers in Brockway, Homewood, Soda Springs, South Tahoe, Tahoe City and Truckee.

Happy Day To Smart—

A family observance marked the birth date of Reg Smart Friday, June 23.

SUNBEAMS

By WALTER M. BARRETT

Some idea of the cost of the great American habit of strewing litter across the land was given at a recent meeting of the California Beautiful Coordinating Committee, sponsored by the California State Chamber of Commerce. A representative of the state division of highways reported that it cost more than $1,000,000 to clean up littered roadsides in 1958-59! $1.45 million in 1959-60; and it is estimated the cost will be $1.75 million in the current fiscal year ending June 30. A San Francisco representative reported that is costs the taxpayers of that city more than $2.5 million a year to operate its bureau of street cleaning, largely for the removal of litter. On this basis, it must cost $15,000,000 or more over the entire state.. It seems silly, doesn't it, to spend $15 or $20 million in just one state to clean up after careless people, too lazy or indifferent to place litter, refuse and trash in a proper container (and that means ALL of us)? The obvious answer is, everyone should appoint himself or herself a committee of one to put a stop to this childish, costly custom; every motorists should carry a trash bag in his car—and use it!

Lightning Causes 20 Fires In Truckee District On Sunday

Twenty fires, all resulting from lightning during the storm Sunday evening, were fought by the U. S. Forest Service crews and 21 men from the Iron Mine Inmate Camp near Auburn this week.

The largest of the fires was an acre and a half in Klondike Meadow near Martis. The others were held to less than half an acre, Fire Control Officer Nelson Stone reported.

A fire near Horseshoe Bend above Donner Lake Monday night was blamed on a fisherman. This blaze was quickly controlled by the suppression crew after burning the remains of an old abandoned shack.

REAMS IS INSTALLED AS LIONS PRESIDENT

Sherman Reams was installed as president of the Truckee Lions Club at a ladies night program attended by 60 members and guests at Smart's Saturday night, replacing Zeph Rose, past president.

Other officers installed by John Langhaus of the Sparks Club were Chuck Baker, first vice president; Dr. H. P. Tapia, second vice president; John E. Houlgate, third vice president; Edward C. Shirley, tail twister; Lauren Russell, Lion tamer; R. W. Seibold, secretary; Roy Waters, treasurer; Dr. Ben King, Frank Fox, William Englehart and N. F. Dolley, directors.

Carson White was named editor of the Truckee Lions Topics.

HOBART MAN FILES BIG SUIT AGAINST U.S.

Frank C. Starr, 43, Hobart Mills and Wesley Broce, 25, Long Beach have filed a $2,500,000 damage suit in San Diego against the United States government and three of its diplomatic representatives.

Starr and Broce claim they went to Indonesia in May, 1959, on the advise of the Indonesian military attache in Washington to settle a $250,000 claim they had against the government of that country.

They say they were imprisoned by the Indonesian government and after appeals to the United States embassy without success, they were tagged as gun runners.

ATTEND CONCLAVE

Dr. and Mrs. H. P. Tapia have returned from attending the 66th annual convention of the National Chiropractic Association recently held at Las Vegas, Nevada. They were among 1,000 doctors of chiropractic attending the meeting.

Home From Hospital—

Mrs. Frank Fox is convalescing at home following a stay in Tahoe Forest Hospital during a recent illness. Her friends are hoping for her rapid recovery of health.

Donner Regatta Is Set For July 8 - 9; Many Competing

By Virginia O'Bear

It's almost Regatta time again with members of the Donner Lake Volunteer Fire Department working practically day and night to get everything organized for the huge crowd expected the weekend of July 8 and 9. The firemen are sponsoring the regional outboard championships again this year and all of the top racers have signed in with the Northern California Outboard Association to enter this race of 11 classes.

The Auxiliary of the Donner Lake Volunteer Fire Department will again have a delicious barbecue this year which will be held Saturday, July 8 at the west end of Donner Lake at the beach. Exper chefs on hand to do the barbecuing will be Dick Walker, Tony St. Claire, Charles Kitts, Lyle Hubbard and several other firemen who have offered their services for the event. The barbecue starts at 4 p. m. until 7 p. m. and the charge is $1.75 for adults and 75 cents for children. Barbecue tickets are available through any auxiliary member or can be purchased at the barbecue.

Saturday evening, starting at 9 o'clock on July 8, the firemen will have a dance at Donner Lake Lodge with an orchestra playing your favorite tunes. Everyone is invited to attend and Miss Donner Lake and her court will be present at the barbecue and dance.

Sunday morning starting at 10 a. m., July 9, Miss Donner Lake

Rev. Carlson Will Be Ordained Mon.

The Rt. Rev. Clarence R. Haden, Jr., DD, Bishop of the Episcopal Diocese of Northern California will ordain Rev. Arnold B. Carlson, vicar of St. Nicholas Episcopal Church at Tahoe City to the priesthood on Monday, July 3 at 10 a. m.

The ordainment service will be held at the Outdoor Chapel in Tahoe City and among those participating beside Bishop Haden will be Rev. Canon Fred J. G. Kepler, executive secretary of the diocese; Rev. Ray Baskim, Placerville rector; Rev. John A. Harms, curate of St. Luke's Church, San Francisco; Rev. Thomas L. Barranger, Jr., vicar of Whitefish, Montana; Rev. Reid Hammond, associate rector of St. Clement's Episcopal Church, Berkeley, and Rev. John Wright, rector of St. Luke's Church, Auburn.

A reception on the grounds of the chapel will follow the service of ordination.

LITTLE LEAGUE WILL COMPETE IN VALLEY

A meeting of officials of the Tahoe Truckee Little League was held at the office of Dr. H. P. Tapia Tuesday evening for the purpose of selecting players from the four teams who will participate in the tournament playoffs beginning July 20 in Auburn.

Fourteen boys will be chosen to represent the local league against the Rocklin area teams. The first game will be at Auburn July 20 against Rocklin and the winner will play in Roseville July 21. Then the winner of that game will meet an opponent in Auburn on July 22.

The elimination will result in selection of teams to play in the Little League World Series in Williamsport, Pa., in August.

EUER VALLEY LAND IS SOLD FOR $95,000

A deed filed in the office of the Nevada County Recorder Ted Kohler, Jr., this week revealed the sale of local property.

Revenue stamps indicated the purchase price of $95,000. Marjorie Gill Euer sold the property to the California Pacific Title Company, Sacramento.

The property is located in the vicinity of Euer Valley east of Frog Lake and north of Donner Lake.

WSCS FOOD SALE IS SLATED TOMORROW

Tomorrow is the day to attend the food sale being sponsored in the Truckee Mercantile by members of the W. S. C. S., Church of the Mountains, Truckee.

The ladies are preparing a number of entrees and desserts for the buyers of the home cooked foods.

Summer Classes In District Schools To Start On Monday

The Tahoe Truckee Unified School District will hold a six week summer session for elementary and high school students. The session will start July 3 and extend through August 11.

The elementary school classes will be conducted at the Kings Beach Tahoe Lake and Truckee Elementary Schools from 8:30 a.m. to 12:30 p. m. High school classes will be held at the Tahoe Truckee High School from 8:15 a. m. to 12:30 p. m.

Any student who was in grades four, five, six or seven this year is eligible to enroll in the elementary school program. Students who have completed the eighth grade are eligible for the high school program. As this summer session is a part of the educational program there will be no charge for registration or attendance. Students will not be accepted for either program after July 5. No district transportation will be provided.

Further information concerning the summer session may be obtained from the following people: Elementary: Wes Sauby, principal, Truckee elementary, LU 7-3283; Daryl Smith, principal, Tahoe Lake elementary, JU 3-3010; Harvey Price, principal, Kings Beach elementary, LI 6-2605; High School: Harold Drummond, principal, Tahoe Truckee high, LU 7-3574.

Womens Club Will Have Fashion Show

CRYSTAL BAY—"Riviera Holiday" is the theme of the annual fashion show sponsored by the Women's Club of North Tahoe for Riviera Resort Clothes to be held Wednesday, July 12 at noon luncheon at the North Shore Club at Crystal Bay, Nevada. All clothes will be shown by Riviera Resort Clothes, Kings Beach and Tahoe City and furs will be shown courtesy of the Curtis Stewart Fine Furs of San Francisco.

Commentator for the show will be Marjorie De Costa of Tahoe Vista. Lorraine Ducharme is in charge of decor which will be in keeping with the holiday theme.

General chairman of the show is Bethel Van Tassell with able assistance from Bern May, Pearl Draney, Louise Walter, Mabel Coulter and Women's Club President Pearl Kientz.

Jacquie Black of Incline Beach is coordinating the models with Jean Palmer. Jetta will style the model's hair. Models for the show are Marilyn Boatman, Ruth West, Karen Decker, Helen Ehlers, Jean Van Wetter, Mary K. Malley, Mary T. Malley (twins), Virginia Parsons, Virginia Flagg, Sophie Baker, Ella Edwards and Jacquie Black. Background music will be provided by Tony Rose.

Tahoe Forest Hospital will benefit from the show.

Reservations may be made by phoning the North Shore Club at LIberty 7-2577.

The show is open to the public and everyone is cordially invited to attend.

TAHOE, KINGS BEACH LEAGUERS ARE TIED

As of June 26, Tahoe City and Kings Beach were tied in the Tahoe Truckee Little League standings, each having won four and lost one.

In the games on the 26th, the Truckee majors defeated Donner Lake 13 to 6 while Kings Beach beat Tahoe City 6 to 4.

The Truckee minors beat Donner Lake 21 to 6 and the Kings Beach minors edged Tahoe City 24 to 23 the same day.

The standings are as follows:

	Won	Lost
Tahoe City	4	1
Kings Beach	4	1
Truckee	1	4
Donner Lake	1	4

STUDENTS PAY VISIT TO VALLEY CHURCH

A group of 35 high school students from the Woodland Hills Congregational Church visited the United Church of Christ at Squaw Valley on June 27. The group is on an extensive tour of California churches and camped out and worked around the church grounds during their visit.

At South Tahoe—

Mrs. Doyle McGwinn and daughters, Francie and Judy returned from south Tahoe where they were guests of relatives.

Plane Victims Are Found By Truckee Boys On Summit

A search for a missing bay area plane which has continued since March 5 when it disappeared on a flight from Reno to Hayward, ended Sunday morning at 8 o'clock when four Truckee boys discovered the wreckage and the bodies of the four occupants a mile southwest of White Rock Lake.

The boys, Jim Osburn, Mike Conola, Joe Parkhurst and David Ayala were with a group of Truckee Outdoor Sportsmen on the annual jeep trip to White Rock and were hiking to Paradise Lake when they made the gruesome discovery.

They immediately notified the adults of the party and Charles Fink, Dr. Ray Wiser, John Firpo, Craig Robinson and Robert Hobbs went to investigate with Deputy Sheriff Roy Waters. All were members of the outing group.

Upon returning to Truckee, Coroner Alvah Hooper was notified and Monday a party of Civil Air Patrol members, led by Commander Jack Houlgate of the local unit, drove as far as possible, hiked the remaining rugged mile and brought out the remains.

Other members of this group included Sergeant Waters, Bruce Quartly, Robert Siebold, Jack Ellis, Coroner Hooper all of Truckee and Major Nate Hurst, Captain Gordon Melcher and Leonard Robinson of the Reno CAP, and Robert Hosea of a Sacramento television station.

The remains of the crash victims, Carlos Pruitt, 37, of Oakland, his nephew, Richard Grisel, 12, San Leandro and Joseph Leary and Gary Castillo, both 23, of Oakland, were taken to the Truckee Colonial Mortuary.

Truckee Station Is First For Traffic

Eighty thousand, two hundred and twenty-six cars, approximately 6,000 less than in April, were checked at the Truckee quarantine station entering California during May, the department of agriculture reports.

There were also 4,622 trucks and 893 buses checked during the period. The total passenger count was 206,227, or about 23,000 less than for the previous month.

Highway 50 showed a jump from 13,432 during April to 23,745 cars last month, the report shows.

Truckee maintained first place as a point of entry, with Yermo with 79,149 in second place.

The Truckee station showed a gain of some 4,000 cars over May of 1960.

PUMPING FROM LAKE MAY NOT BE NEEDED

RENO — Heavy rains early this month and sharply reduced irrigation water quotas may have eliminated the necessity to pump water over the natural rim of Lake Tahoe into the Truckee River late this summer.

Federal Watermaster Claude Dukes said he will reduce by 25 to 30 per cent the supply water rights holders had been receiving up to Friday. At the same time, Dukes reported Lake Tahoe crested at 6,224.46 feet above sea level June 16, about a week later than expected.

In another move to stretch irrigation water in the Truckee until late August water from Tahoe, Donner Lake and Boca Reservoir has been pooled under the direction of Dukes who will allocate it to downstream users.

DR. DINGWALL OPENS ANIMAL HOSPITAL

TAHOE CITY—Dr. S. M. Dingwall has arrived from El Cajon to open the Lake Tahoe Veterinary Hospital for its eighth year and will be joined by Mrs. Dingwall and two daughters in the near future, the family to remain until late fall.

The hospital, house and grounds, two miles from Tahoe City are undergoing modernizing and general improvement. Dr. Dingwall is well known throughout the area is looking forward to meeting friends of past years as well as new ones to the vicinity.

SERVICE SCHEDULE IS CHANGED HERE

The Truckee Lutheran Mission has changed the location of its services from the Wyethia Club building to the Lutheran Summit Pulpit grounds in Lakeview Ave. near Dollar Hill for July and August, details of the change appears in the church page of this issue.

During the period 10 guest pastors will serve as special speakers from many sections of the west coast. Rev. Ralph La Fontaine of Cleveland, Ohio being the first guest.

In Capital—

Mr. and Mrs. Douglas Barrett and daughters returned to Sacramento Friday after several days visit with the Walter Barrett and Robert Leamon families.

LAKE LEVEL

TAHOE CITY—The level of Lake Tahoe Monday stood at 6224.41, Daryl K. DeWalt, cooperative observer reported. The temperature has ranged from a warm 86 to 47 degrees. The storm Sunday left .19 of an inch of precipitation.

LOAN ASSOCIATION INCREASES INTEREST

Placer Savings and Loan directors today voted to make interest payments on a quarterly basis and agreed to pay 4½ per cent per annum interest for the quarter which will end September 30.

Interest payments by the Savings group have been on a semi-annual basis since the founding of the Association 15 years ago.

Paul Claiborne president and manager, said that interest paid on a quarterly basis would mean an additional earning for the savers of the Association due to the compounding every 90 days instead of the usual 180 days.

CORDONE SPEAKS AT MEETING OF ROTARY

TAHOE CITY—Al Cordone, biologist of the California Division of Fish and Game, told Tahoe City Rotarians and guests attending a recent meeting at Tahoe Inn how a study of fish life in Lake Tahoe is being made in view of providing better fishing. He said two crews of two each are going about the lake checking fishermen to learn what kind of fish is being caught and how many. A study of what the fish are feeding on and other phases of fish life are included, Cordone said.

What became of the 19,000 Rainbow trout planted last year Cordone could not answer. He said all the fish were tagged and but one has been accounted for to date.

A budget not to exceed $75,000 for the research work and the planting of 160,000 fish in lakes and streams should provide better fishing in the near future, the speaker said.

The plant will consist of 80,000 cutthroat and 80,000 Kamloop, the latter a new species of fish for Lake Tahoe. Ted Stollery was program chairman. Ralph Bly presided over the June 22nd meeting attended by 23 members and 13 visitors.

PLAN COMMISSION REVIEWS YEAR WORK

The Nevada County Planning Commission at its special meeting, on Friday, June 23, completed a series of meetings with its Consultant Dick M. Wilkinson of Redwood City.

This last meeting, said Chairman Cecil Edmunds of the commission, was a review of the work outlined, at the monthly meetings which started in September, 1960. These consulting services, provided by the board of supervisors, were for the purpose of acquainting the commission members with planning organization, programming and procedures.

The board of supervisors has provided a substantial increase in the planning budget for the 1961-62 fiscal year, which provides for a full time director.

William Roberts of Mill Valley, has been hired by the commission as planning director, and takes up his duties on July 1. He has been presently associated with the EBASCO Planning Services and comes to the county highly recommended by his former employers, Edmunds said.

The commission has set up an office in Nevada City close by the court house. One of Roberts first duties will be to draw up a subdivision ordinance for consideration by the commission. The commission was instructed by the board of supervisors, last year, to submit such an ordinance to them for adoption.

This will be followed, Edmunds stated, by a county building code, which has been under consideration by the commission for the past three years.

The commission at its regular meeting on Monday, June 26, was informed by R. Sporleder of the Sacramento office of the U. S. Public Land Department that there was approximately 20,000 acres of public land in Nevada County. The department, he stated, was now engaged in inventorying this land and urged the commission to investigate its recreational possibilities with a view to having it retained for public use. The matter was referred to Director Roberts for a report.

GIRLS' RECREATION CLASS IS FORMED

KINGS BEACH—A girls' summer recreation class will be held at Kings Beach Elementary School July 3 to August 11. Any girl from 4th through 8th grade may participate in this program. The class will be conducted on a regular school basis, Monday through Friday, beginning at 8:30 to 12:30.

The following recreational games will be taught: volleyball, softball, swimming, folk and modern dance, badminton, bowling, nature study hikes and relays. A safety course will also be instructed with each sport.

Registration will be at 8:30 Monday, July 3 at Kings Beach Elementary School.

COMFORT STATION TO BE BUILT AT PARKS

The state division of beaches and parks today called for bids for construction of two comfort stations No. 302-1, and one combination building C-1 all complete and ready for use including sewage disposal systems, electrical and water connections at D. L. Bliss State Park, El Dorado County.

The bids will be opened at 2 p. m. on Tuesday, July 18.

MANY TROPHIES WILL BE AWARDED AT FAIR

GRASS VALLEY — Through the cooperation of local merchants, organizations, businessmen and the Nevada County fair, 46 trophies, two special cash awards and merchandise orders will be awarded in the junior and senior classes at the Nevada County fair August 24 to 27, according to Malcolm Hammill, fair manager.

NEVADA LODGE WILL HAVE FULL PROGRAM

Coinciding with the opening of the 1961 summer vacation season, Nevada Lodge, largest resort-hotel-casino at Lake Tahoe, has completed a major expansion program which started last fall.

Nevada Lodge has greatly enlarged and remodeled its outdoor, heated swimming pool and sundeck. Larger than official Olympic-size, the new pool is now among the largest at the lake.

The lodge's parking lot has been doubled in capacity, thus making it the largest parking area at the north end of Tahoe. TV sets have been installed in almost every room. Lower-floor areas have been arranged to accommodate two complete floors of casino play.

Entertainment by headline performers, plus nightly dinner-dancing will be the new summer policy in the glamorous Nevada Room theatre-restaurant of the lodge. In the theatre-bar three acts will provide almost continuous entertainment for visitors.

DONNER DOINGS

By VIRGINIA O'BEAR

It looks as though it will be safer at Donner Lake this summer for fishermen, swimmers and the water skiiers. At the east end of Donner the state park area has been roped off with designed areas for swimming and boating. I talked with some of the officials Monday at the park and they will definitely enforce all laws and regulations. Mr. Jamieson at the west end has his swimming and boating area separated and the Donner Lake Property Owners Association has the same system for their beach. There's a rumor that Donner Lake will be patrolled this summer, especially on weekends so many will be happy if this is true.

* * *

This Sunday at 1 p. m. promptly, the Donner Lake Property Owners will have a meeting at their beach for committee reports and election of officers for the fiscal year. A resume of the secretary's minutes of the September meeting will be given with the complete minutes posted on the fence 24 hours prior to the scheduled meeting. This is an annual membership meeting and any property owner at Donner Lake is welcome to join. The dues are very nominal and well worth it to belong to this organization and to have the use of the beautiful beach. Rufus Fields of Donner Lake is gatekeeper again this year and will admit only members and guests with paid up membership cards. Please remember your card when going to the beach so you will not be disappointed.

* * *

I received a nice letter last week from Billie Cleary and she and her husband Joe will be at her summer home all of July, every weekend after that for the summer season. Billie has a doll clinic in Oakland and her slogan is: "Have Dolls Will Travel." Now if any of you in our Truckee-Donner area are doll collectors, Billie has beautiful German Bisque, French Bisque, small to very large China dolls and she has all kinds of shoes, clothes and wigs to fit any size doll.

* * *

Mrs. Douglas Brodie and young son, David returned from a weekend trip made to Portland, Oregon where Nancy attended a class reunion. Out of 18 who graduated from the University of Oregon School of Nursing, 14 were able to celebrate the occasion. Dr. Brodie was unable to get away and son John visited with Dr. and Mrs. Ben King while "mother" celebrated with her class of '51.

* * *

Mrs. Sarah Belle Hooper is back at her summer home near the government tract and I noticed many more summer homes being occupied in that area. I'll have to go visiting down that way soon, that is after Regatta time, then we will have a report later on about our summer residents.

* * *

Mr. and Mrs. William Finley of Sparks, Nevada are having a wonderful time with their two sons, David and Billy, camping in Donner Memorial State Park. The Finley's spend a week or so nearly every year at Donner and think this is the place to vacation.

* * *

Monday afternoon, June 26, at Donner Memorial State Park, ground breaking ceremonies occurred with many state park officials on hand and many Truckee and Donner residents present. It was the beginning of the new Emigrant Trail Museum which is expected to be completed by next summer. Anyone interested in donating anything pertaining to the Donner Party for the museum may contact Jack Stowe, park superintendent.

* * *

Don't forget to watch KCRA TV Channel 3 this Saturday at 4 o'clock as our Miss Donner Lake and her court will appear on the Bill Rase Show.

CALL CONFERENCE ON STATE DROUGHT

SACRAMENTO— Nearly 800 California water leaders have made reservations for the twin Dry Year Conference being called by Governor Edmund G. Brown in mid-July.

The conferences, to be held in Sacramento July 12 and 13 and in Los Angeles July 13 and 14, are expected to accomplish the following things:

Determine the effect, now and in the future, of the dry years on California's economy and to find ways of alleviating drought problems;

Emphasize the importance of storage facilities, including the planned operation of ground water basins, in reducing the effects of dry years;

Assure the continued cooperation and effort of local, state and federal services and facilities in meeting the problems of future drought periods.

Among those who have responded to invitations to attend the conference are officials of water districts and agencies, farm advisors, members of boards of supervisors and city councils, representatives of related state and federal agencies, news media representatives, teachers and selected leaders in the water field.

Returns coming into the department of water resources offices indicate that conference distribution will be about equally divided between the two sessions.

NORTH TAHOE BRIEFS...

. . . By BETHEL

Interesting personality relaxing on the Tahoe Vista scene and beach—Todd Stuart from Hollywood. Todd has appeared in many TV programs — "The Lawman," "Route 66," "Roaring Twenties," "Surfside Six," "77 Sunset Strip," among others, the movie "Marauders."

A native San Franciscan, lived in Palo Alto, and a summer visitor to the north shore Lake Tahoe since childhood, Todd is single, 24, blonde, tanned and amiable, of French-English extraction. Parents, Mr. and Mrs. Cyril Martineau of Tuxedo Park, New York; brother, Neal, in advertising business in New York, married and two children. Graduated from Princeton as a psychology major, attended Actor's Studio in New York and appeared on Broadway in "West Side Story," hence to Warner Bros. in Hollywood through his New York agent. Future—summer plans maybe an off Broadway play, "End is a Man." Watch for him.

Luncheon to plan the fashion show luncheon to be held at the North Shore Club at Crystal Bay on July 12, sponsored by the Women's Club of North Lake Tahoe and Riviera Resort Clothes was attended by Jean Palmer, Pearl Draney, Pearl Kientz, Louise Walter, Mabel Coulter, Jacquie Black, Bethel Van Tassel, Marjorie De Costa and Bern May. Phone the North Shore Club at LIberty 7-2577 for your reservation for the show of the summer.

VFW state convention was held at Yerington, Nevada, June 15, 16 and 17. Earl Gray, commander of VFW Post 7077, attended the convention and reports that Post 7077 received fourth award in Nevada for community service and outstanding award for the Poppy Drive. Congratulations for the hard work by Post 7077. Commander Gray, and the VFW Auxiliary, President Pearl Draney, Bill Dugan, Gene Faulkner and Eddie and Cleda Liddle attended the convention along with Earl.

Past National Commander of the Veterans of Foreign Wars, Lou Feldmann, of Pennsylvania, has been the guest of Earl and Carrie Gray of Kings Beach. While here, Commander Feldmann addressed the Rotary Club at Crystal Bay Club on Monday evening. Rotary President Don Barkhurst, Commander Gray, and the audience all concurred that the address was the most outstanding ever presented and the speaker well versed on his subject — against communism. Commander Feldmann has spoken throughout the world and to 144 Rotary Clubs. A rare privilege to hear a speaker of his caliber and it is hoped he will be available for other speaking engagements.

Elizabeth Anthony of Berkeley has been a house guest of Ranie Van Buren at Crystal Bay the past week. Mrs. Van Buren will accompany Mrs. Anthony to Berkeley where she will spend a week at the Claremont Hotel, and await the arrival of husband, Norbert Van Buren, from France. Mr. Van Buren will arrive on the Lufthousa the new German airliner by way of the North Pole. After visiting friends in bay area, the Van Burens will return to their summer home at Lake Tahoe for the summer.

Sympathy is extended to Fanchon Waters of Agate Bay on the death of her father, Alfred Burgess. Mr. Burgess died Sunday the 18th at Tahoe Forest Hospital at the age of 87 years. Burial was at Whittier.

Happy birthday, Madelyn Kammerer of Kings Beach, sweet 16 on June 23.

Happy birthday, Kenneth Kammerer, of Kings Beach, 13 years old on July 8.

Kenneth Kammerer of Kings Beach is visiting father, Edward J. and grandfather, Edward P. at Marysville for two weeks.

Lois Glenn Brockman of Yuba City was a house guest of Bethel Van Tassell last week.

John and Kay Bunyon and baby daughter, Suzie, of Marysville were guests of Bethel, Pieter and Jan Van Tassel at Tahoe Vista over the weekend.

Katharine Bradbury of Tahoe Vista enjoyed a visit from son and daughter and families of Marysville, Stanley and Margaret Parmeter and son, Lenny, Bud and Betty Bradbury and children Larry, Nancy and Patty.

Alycemae Schultz of Tahoe Vista is home and happy after a brief hospitalization checkup in Reno.

Bill and Joan Mally of Kings Beach attended the board of supervisors meeting at Auburn recently to present a petition from the citizens of the Kings Beach area and a resolution from the Teachers-Parents Association relative to stop signs. Supervisor Bill Briner set up the meeting on the supervisors agenda that the Mallys could present the matter.

The resolution and petition was presented and the need stressed for stop signs due to heavier use of the off-streets during the highway widening program. The road department took over and requested advice on placing of the signs and their need. The Mallys recommendations and the highway patrol accident report read, and the road department is posting the signs on back Kings Beach streets. Bear Street will be a through street, Brook Street stop signs, and blind corners posted. Watch for stop signs and obey the traffic regulations—15 miles per hour and 25 miles per hour through residential.

Thanks to Joan for her persistence in following through on this program. Help from the Lake Tahoe Safety Council and the TPA is also appreciated.

Sierra-Nevada Red Cross water safety program held a final meeting on organization at Kings Beach Thursday evening with Mr. Curnow acting chairman. The swim program started on June 26. Present at the meeting were Kay Felte, Kings Beach, chairman, Ann Tiller, Ella Rae Fulton, Pearl Draney, Margaret Austin, Ron Mills, Ellen and Vicki Rich. Seventy-five local children are registered for the program. School buses will transport the children to Kings Beach from Carnelian Bay post office and Tahoe Vista post office at 9:30 a. m.

Mothers who have children taking the program or interested bystanders who would like to assist in the program may phone Kay Felte and volunteer to help keep order during instructions.

Thanks to the V. F. W. Auxiliary, the TPA and the Women's Club of North Tahoe for their financial contributions for this swim safety program.

The annual smorgasbord sponsored by the W.S.C.S. of the Kings Beach Methodist Church will be

(Continued on Page 5)

STRIKES & SPARES

BY JOE WILMAN

DON'T THINK ABOUT YOUR LUCK!

You've had those nights. I'm sure, when things break your way. Everything goes right. Your delivery and timing are superb! Your control is perfect! Even when you hit 'em on the nose, they collapse for you-

When you're bowling in such a hot streak, don't try to analyze your game too closely. Above all, don't make any changes. Ride the hot streak all you can. Note your starting and finishing positions as well as the path of your ball as the illustration shows. But don't check your technique too closely—that may be the end of the hot streak!

And don't try to figure out why you're getting a break on pin action and the like. It's just merely old Lady Luck making things even up a bit for the bad breaks you may have had in the past.

Many bowlers express it this way, "Don't think — just stay hot!"

TAHOE BRIEFS

(Continued From Page 4)

held July 2. Louise Walter says the plans are shaping up well and home cooked goodies will be served buffet style indoors but eaten outdoors under the pines. Donation of $1:50 per adult is well worth the money. Come one, come all and have a good dinner.

The Fire Belles of North Tahoe met at the fire house on June 20. Present were Ella Rae Fulton, president, Pearl Draney, Alice Hall, Hannah Reynolds, Sophie Levra, Frances Gerlits, Louise Walter, Thelma Northwood, Georgia Abrahamian, Chris Hoffman and Paula Gurney.

The charter membership will be closed after the July meeting, so anyone who would like to have that distinction must join before the July meeting.

Two films — "Flight to Fortune" —showing diamond mining operations in South Africa and "When Every Minute Counts" showing operation of A. D. T. systems in connection with fire and police department, were presented with the aid of Tom Hoffman operating the projector. The July 25 meeting will be devoted to making of bandages and pads to be used in connection with first aid when injuries occur at fires.

Want to join the Fire Belles? Contact Fire Chief Fulton at LIberty 6-3406.

Congratulations to the Donald Biebers of Kings Beach on the birth of daughter, Debra Mae, born at Tahoe Forest Hospital, Truckee on June 20.

Rotary Club of North Lake Tahoe, Don Barkhurst, president, has been notified by the State of Nevada that an information monument may be placed on Mt. Rose. Ground breaking ceremonies were held Saturday with state officials and members of the Rotary. The monument will have a plaque showing the points of interest around the lake and giving a brief history.

Earl and Mary Lou Langguth and son Robbie of Livingston are spending their vacation at Kings Beach. Rev. Langguth was formerly at the Kings Beach Methodist Church. Nice seeing you-all.

C. E. and Ellen Templeton and children Sally and Bruce of Kings Beach were Seattle vacationers to the home of friend Bob Kemp. Enjoyed sailing on Puget Sound and if a strange sail is sighted on Lake Tahoe—its probably Ellen who has succumbed to sailing.

Otto and Louise Walter of Brockway spent a few days in Yuba City visiting niece and her family.

"Our Lady of the Lake" Guild treated the catechism class to a picnic at Sky Blue Waters following the close of two week school. Chris Hoffman, president of the Guild, wishes to thank all the mothers who assisted and supplied the food for the picnic.

Nikki Ann, daughter of the Otis Wings of Kings Beach, spent ten days at home with her parents. Left Saturday for San Jose where she will do research in the chemistry laboratory at San Jose State College. Nikki Ann will also attend summer session. Busy girl.

Otis and Kay Wing of Kings Beach had a houseful of guests and relatives this past weekend. From Loyalton came Judge and Mrs. Charles Perkins and son, Jack; from Denver, Colorado, James Perkins; from Gerlach, Nevada, Ralph Parman; from Whittier, Mr. and Mrs. George Bateman; from Hayward, Mike Scavo; from Oakland, Harold Perrora; from San Jose, Dwayne Edmon and from Las Vegas, Larry Moore.

A teachers meeting was held at the Kings Beach school on Monday to plan the summer school for grades four to eight. Tuesday the principals and teachers spent the day in Auburn collecting materials and books at the Instructional Materials Center. Spending the day in Auburn were Harvey Price, principal, Kay Wing, Alcyemae Schultz and Sylvia Schumaker. Summer school starts July 3 at 8:30 a. m. Lucky who?

ORDINANCE NO. 66
of
DONNER SUMMIT PUBLIC UTILITY DISTRICT

Calling a Special Election in said District for the Purpose of Submitting to the Electors of said District the Proposition as to Whether a Bonded Indebtedness of said District shall be incurred for the Acquisition, Construction and Completion of Certain Utility Works and Facilities for the Acquisition, Completion, Extension and Improvement of the Water Utility Works and Facilities of said District, including Certain Incidental Costs, Engineering, Inspection and Legal Fees, Costs of Bond Election, Bond Issuance, and Bond Interest During Construction, and Subsequent Thereto, as Specified; Declaring the Estimated Cost Thereof; the Method and Manner of Payment Therefor, and the Maximum Rate of Interest to be paid Thereon; Prescribing the Form of Bonds and Coupons; Making Provision for Levy and Collection of Taxes; Fixing Date of Special Election, Manner of Holding the Same, Establishing Election Precinct, Designating Polling Place, and Appointing Election Board, and Providing for Election Notices.

WHEREAS, the Board of Directors of Donner Summit Public Utility District did heretofore, on the 6th day of December, 1960, duly pass and adopt its Resolution No. 60-3, determining that public interest and necessity demand the acquisition, construction and completion of utility works and facilities and expansion and improvement in the water collection and distribution facilities of the District, and the improvement of the condition of water, extension and expansion of water lines, the additional related facilities and appurtenances, and thereafter to duly caused plans and specifications, estimates of cost of acquisition, construction and completion of said utility works, facilities and improvements and additions, and the estimates of revenue to be derived therefrom as supplemented to be prepared, filed and approved by this Board of Directors, and determine that the cost thereof, including costs incidental thereto or connected therewith, engineering, inspection and legal fees, costs of bond election and bond issuance, bond interest to accrue during construction and for a period not exceeding twelve (12) months after completion of construction, so far exceeds the operating revenues of the District, in addition to its other necessary expenses, as to render it necessary to incur a bonded indebtedness therefor; and further duly formulated a proposition for submission to the electors of said District of incurring a bonded indebtendess for financing the acquisition, construction and completion of the foregoing utility works and facilities and addition and improvements thereto, and the payment of the costs, fees, charges and interest specified above;

NOW, THEREFORE, BE IT ENACTED by the Board of Directors of Donner Summit Public Utility District as follows:

Section 1: That a special district election is hereby ordered and shall be held in Donner Summit Public Utility District on Tuesday, the 11th day of July, 1961, at which said election there shall be submitted to all persons possessing all the requirements of electors under general election laws of the State of California, and who are qualified electors residing within said utility district, the question of incurring a bonded indebtedness of said District for the objects and purposes set forth in the following proposition, to-wit:

PROPOSITION: That the public interest and necessity requires the acquisition, construction, and completion by said District of utility works and facilities, including without limitation, modification and additions to and improvements in the source of supply, additional quantity and condition of water and improvement in the collection and distribution facilities therefor, together with all necessary lands, easements, rights of way, property or structures necessary and convenient thereto, or the acquisition, construction, completion and improvement of facilities for the operation of water works and utilities of the District.

Section 2: That the estimated cost of the acquisition, construction and completion by said District of the water works, utilities and facilities and additions, improvements and modifications to the facilities and works, for collection and transportation and distribution of water, the extension of certain water lines, and addition of related facilities and appurtenances connected therewith, including costs incidental thereto, engineering, and legal fees, cost of bond election and bond issuance and of bond interest to accrue during construction and for a period of not to exceed twelve (12) months after completion of construction, as set forth in said Proposition, is Seventy Thousand Dollars ($70,000.00).

Section 3: That the proposed method and manner of payment for the acquisition, construction and completion of the proposed utility works, facilities, additions, improvements, and modifications, including other fees, charges, costs and accruing interest as noted above, is from the proceeds of sale of said bonds of said District to be issued if said bonds in the amount set forth in said Proposition are duly authorized by the affirmative vote of at least two-thirds of the electors voting at said special election upon the proposition for the issuance of said bonds as set forth in Section 1 hereof.

Section 4: That the sum of $70,000.00 is the amount of bonded indebtedness necessary to finance and pay for the acquisition, construction and completion of the water works, utilities, facilities and additions, improvement and modifications to said facilities and works as hereinabove provided, including other costs, fees and charges and interest noted above, and as specified in the Proposition set forth in Section 1 hereof, and the rate of interest to be paid on said bonds shall not exceed six per cent (6%) per annum. Said bonds shall be known as:

"DONNER SUMMIT PUBLIC UTILITY DISTRICT 1961 WATER BONDS" and shall be sold in accordance with law by said Board of Directors at such times and in such manner as said Board shall determine, but shall not be sold at less than par and accrued interest. Said bonds shall be negotiable in form and of the character known as serial, and shall be 70 in number, numbered consecutively from 1 to 70, inclusive, and of the denomination of $1,000.00 each.

All of said bonds shall bear interest from their date until paid, at the rate of or rates designated by said Board of Directors at the time of sale of said bonds, but not to exceed six per cent per annum, payable annually the first year, and semi-annually thereafter. Such interest shall be evidenced by coupons attached to each bond and each said coupons shall represent six months' interest on the bond to which it is attached, except that the first of such coupons shall represent twelve months' interest on the bond to which it is attached. Both principal and interest on said bonds shall be payable at the office of the treasurer of Donner Summit Public Utility District in lawful money of the United States of America, and shall be registerable only as to principal and interest.

Said bonds shall bear such date as may be fixed by the Board of Directors and shall mature and be payable, in consecutive numerical order from lower to higher, as follows, to-wit:

$1,000.00 principal amount in each of the years from two to three, both inclusive, after their date; and
$2,000.00 principal amount in each of the years from four to seven, both inclusive, after their date; and
$3,000.00 principal amount in each of the years from eight tc twelve, both inclusive, after their date; and
$4,000.00 principal amount in each of the years from thirteen to seventeen, both inclusive, after their date; and
$5,000.00 principal amount in each of the years from eighteen to twenty-two, both inclusive, after their date.

Bonds numbered 1 to 50, both inclusive, of said issue maturing by their terms on or before eighteen (18) years after their date, are not subject to call or redemption prior to their fixed maturity dates. Bonds numbered 51 to 70, both inclusive, of said issue maturing by their terms on or after nineteen (19) years from and after their date, are subject to call and redemption at the option of said District as a whole or in part, in inverse numerical order from higher to lower, on or after five (5) years from their date (but not prior thereto), and on any interest payment date thereafter prior to their fixed maturity date or dates, at the principal amount thereof and accrued interest thereon to the date of redemption, plus a premium of the following percentage of such principal amount, if redeemed as follows:

Percentage	If Redeemed on or After	And Prior to
3%	Five years from date	Seven years from date
2%	Seven years from date	Ten years from date
1%	Ten years from date	Fifteen years from date
No premium	Fifteen years from date	Maturity

Notice of such redemption shall be given by publication of such notice once a week for two consecutive calendar weeks in a newspaper of general circulation, printed and published in the county in which said District is located, the first publication of which shall be at least thirty (30), but not more than sixty (60) days, prior to the date fixed for such redemption, if said District shall have duly published notice of such redemption and shall have provided funds available for the payment of the principal of and interest and premiums, if any, on the bonds so called for redemption, interest on such bonds shall thereafter cease.

Section 5: That said bonds shall be general obligation bonds of said District and shall be in substantially the following form, the blanks in said bonds and in the form of coupon, set forth below, to be filled in with appropriate words or figures, namely:

UNITED STATES OF AMERICA
STATE OF CALIFORNIA
COUNTY OF NEVADA
No. ——— DONNER SUMMIT PUBLIC UTILITY DISTRICT $1,000.00

1961 WATER BOND

The Donner Summit Public Utility District, a public utility district duly organized and existing under the Constitution and laws of the State of California, hereby acknowledges itself indebted, and for value received, promises to pay to bearer (or, if this bond be registered, to the registered holder thereof) on the..... day of ....., 19....., ONE THOUSAND DOLLARS ($1,000.00), together with interest thereon at the rate of ..... (.....) per cent per annum, until payment of said principal sum in full, payable annually the first year on the ..... day of ....., 19....., and semi-annually on ..... and ..... of each year thereafter.

Unless this bond is registered, such interest, prior to maturity, shall be payable only on presentation and surrender of the proper interest coupons attached hereto, as they respectively become due. Both principal and interest on this bond are payable in lawful money of the United States of America, at the office of the Treasurer of said Donner Summit Public Utility District, at Soda Springs, Nevada County, California.

This bond is one of a duly authorized issue of bonds of Donner Summit Public Utility District, aggregating $70,000.00 in principal amount, all of like tenor and date (except for such variation, if any, as may be required to designate varying numbers, maturities and interest rates) and is issued under and pursuant to the Constitution and Statutes of the State of California, and under and pursuant to the ordinances and proceedings of said District, duly adopted and taken and a vote and assent of more than two-thirds of all qualified electors residing in said District and voting at a special district election duly called and held for that purpose.

It is hereby certified, recited and declared that all acts, conditions and things required by law to exist, happen and to be performed, precedent to and in the issuance of this bond, have happened and been performed in due time, form and manner as required by law, and that the amount of this bond, together with all other indebtedness of said District, does not exceed any limit prescribed by the Constitution or Statutes of this State, and that provision has been made as required by the Constitution and Statutes of this State, for the collection of an annual tax sufficient to pay the principal of and interest on this bond, as the same become due. The full faith and credit of said District are hereby pledged for the punctual payment of the principal and interest of this bond.

This bond constitutes a general obligation of the District and may be registered in the manner provided by law, and thereafter the principal hereof and interest hereon shall be payable only to such registered owner.

Bonds numbered 1 to 50, both inclusive, of said issue, maturing by their terms and for ....., are not subject to call or redemption prior to their fixed maturity dates. Bonds numbered 51 to 70, both inclusive, of said issue, maturing by their terms on or after ....., are subject to call and redemption, at the option of the District as a whole or in part, in inverse numerical order from higher or lower on ..... (but not prior thereto), and on any interest payment date thereafter prior to their fixed maturity date or dates, at the principal amount thereof and accrued interest thereon to the date of redemption, plus a premium of the following percentage of such principal amount, if redeemed as follows:

Percentage	If Redeemed on or after	And Prior Thereto
3%	..... 19	..... 19 .....
2%	..... 19	..... 19 .....
1%	..... 19	..... 19 .....
No premium	..... 19	Maturity

Notice of such redemption shall be given by publication of such notice once a wek for two (2) successive calendar weeks in a newspaper of general circulation printed and published within the county in which said District is located, the first publication of which shall be at least thirty (30) but not more than sixty (60) days prior to the date fixed for such redemption. After the date fixed for such redemption, if said District shall have duly published notice of such redemption, and shall have provided funds available for the payment of the principal of and interest and premium, if any, on the bonds so called for redemption, interest on such bonds shall thereafter cease.

IN WITNESS WHEREOF, the Board of Directors of Donner Summit Public Utility District has caused this bond to be signed by the President of the Board of Directors of the District and countersigned by the Clerk, and has caused the seal of said District to be attached hereto and the interest coupons attached hereto to be signed by the facsimile signature of its Treasurer and this bond to be dated the ..... day of ....., 19.....

.....
President of the Board of Directors of Donner Summit Public Utility District

COUNTERSIGNED:

.....
Clerk of Donner Summit Public Utility District

The interest coupons shall be in substantially the following form:

Coupon No. .....

On the ..... day of ....., 19....., Donner Summit Public Utility District will (unless the within mentioned bond be registered) pay to bearer at the office of the Treasurer of said District, at Soda Springs, Nevada County, California .....
.....Dollars ($.....) in lawful money of the United States of America, being ..... months' interest then due on its 1961 water bond No. ..... dated ....., 19.....

.....
Treasurer
Donner Summit Public Utility District

Section 6: The Board of Directors of said District shall prescribe, revise and collect such rates and other charges in connection with the operation of its water works, utilities and facilities as will produce revenue, income, receipts and profits sufficient to pay the principal of and interest on said bonds as they become due and payable. The Board of Directors of said District, unless funds are otherwise available from revenues, shall annually levy and collect and cause to be levied and collected a tax sufficient to pay the annual interest on such bonds, and also to pay such part of the principal as will fall due within the succeeding year, and as may be necessary to provide for the sinking fund payments of the next succeeding fiscal year.

Section 7: That said special election shall be held and conducted and votes thereof canvassed, the returns thereof made, the results thereof ascertained and determined, as herein provided; and in all particulars as prscribed by this ordinance, said election shall be held according to the provisions of law governing elections in the District.

Section 8: That the polls at the polling place hereinafter designated shall be opened at the hour of 7:00 o'clock a. m. of said election day and shall remain open continuously thereafter until the hour of 7:00 o'clock p. m. of said election day, when the polls shall be closed (except as provided in Section 5734 of the Elections Code), and the election officers shall thereupon proceed to canvass the ballots cast there at.

Section 9: That for the conduct of said special election in said District, said Donner Summit Public Utility District shall constitute one special election precinct comprising all of the territory within said District, and the election officers shall be one inspector, one judge and one clerk. The polling place therefor and the election officers hereby appointed to conduct said special election are as follows:

Polling Place: Donner Summit Lodge, Soda Springs, Nevada County, California;
Election Officers: Inspector: George Gangler
Judge: Eleanor Johanson
Clerk: Mildred J. Coltrin

Section 10: That the ballots to be used at said District special election shall be in substantially the following form, to-wit:

No.	(This number shall be torn off by inspector and handed to the voter	

OFFICIAL BALLOT

DONNER SUMMIT PUBLIC UTILITY DISTRICT
Nevada County, California
Special Bond Election
July 11, 1961

INSTRUCTIONS TO VOTERS: To vote on any proposition stamp a cross (X) in the voting square after the word "yes," or after the word "no."

All marks except the cross (X) are forbidden. All distinguishing marks or erasures are forbidden and make the ballot void. If you wrongly stamp, tear or deface this ballot return it to the Inspector of Election and obtain another. On absent voter's ballots mark a cross (X) with pen or pencil.

PROPOSITION: That the public interest and necessity requires the acquisition, construction and completion by said District of utility works and facilities, including without limitation, modification and additions to and improvements in the source of supply, additional quantity and condition of water and improvement in the collection and distribution facilities therefor, together with all necessary lands, easements, rights of way, property or structures necessary and convenient thereto, or the acquisition, construction, completion and improvement of facilities for the operation of water works and utilities of the District	Yes	
	NO	

Section 11: That each voter for said proposition hereby submitted and for incurring said bonded indebtedness set forth in said proposition shall stamp a cross (X) in the blank space opposite the word "Yes" on the ballot to the right of said proposition, and to vote against said proposition and against incurring said indebtedness, shall stamp a cross (X) in the blank space opposite the word "No" on the ballot to the right of said proposition.

Section 12: That the returns of said election shall be directed to the Clerk of said District and shall be immediately delivered by the Inspector or some other safe and responsible carrier designated by said Inspector to said Clerk, and the ballots shall be kept unopened for at least six (6) months. This board of Directors shall meet at its usual place of meeting on Monday, July 17, 1961, being the first Monday after said election, at the hour of 8 o'clock p. m., to canvass the returns and declare the results of said election.

Section 13: That the Clerk of Donner Summit Public Utility District is hereby directed, upon the passage and adoption of this Ordinance, to publish the same once a week for two (2) successive weeks in the Sierra Sun, a weekly newspaper of general circulation printed and published in the judicial district wherein said utility district is situated, and said Clerk is further directed to post copies of this Ordinance at three (3) public places in said District at least one (1) week prior to the expiration of thirty (30) days after the passage of this Ordinance. No other notice of the election hereby called need be given.

Section 14: This Ordinance shall take effect as an ordinance thirty (30) days after its passage, but prior thereto shall constitute notice of said special election hereby called.

PASSED AND ADOPTED this 6th day of June, 1961, at a regular meeting of the Board of Directors of Donner Summit Public Utility District by the following vote:

AYES: Williamson, Pratt
NOES: 0
ABSENT: Cannon

Max D. Williamson

NOTICE TO BIDDERS

Notice is hereby given that sealed bids will be received by the Governing Board of the Tahoe Truckee Unified School District, Placer and Nevada Counties, California, at the office of the Superintendent of Schools, Truckee, California, on or before, and no later than 5:00 P. M. on the 11th day of July, 1961, for the contract or contracts to supply furnace oil to the schools of the Tahoe Truckee Unified School District in accordance with specifications on file in the office of the Superintendent of Schools.

No bid will be considered unless it is made up on a form provided by the Owner and accompanied by a certified check, cashier's check, or bidder's bond in the amount of One Hundred ($100.00) Dollars made payable to the Owner. The above mentioned checks or bid bond shall be given as a guarantee that the bidder shall execute the Contract if it be awarded to him in conformity with the Contract Documents.

The Governing Board reserves the right to reject any and all bids, in part or in total, to waive any irregularities, and to be the sole judge of the suitability of the product offered.

Bidders are required to submit complete specifications with prices for any and all products offered.

By order of the Governing Board of the Tahoe Truckee Unified School District.

HILDA D. HINTZ, Clerk of the Governing Board
Tahoe Truckee Unified School District

HIGHWAY VANDALS COST TAXPAYERS

SACRAMENTO—Big repair bills and unnecessary driving hazards are resulting from traffic sign vandalism along California's highways, State Highway Engineer J. C. Womack reported today.

It costs from $275,000 to $325,000 year, he said, to repair or replace official signs which are destroyed or damaged by vandals. This cost is for state highways alone, and does not include damage to signs on city streets and county roads.

"This senseless destruction of warning, regulatory, and directional signs continues to be a serious problem," he said. "Repairs are expensive, and in some cases there have been tragic accidents because a sign was stolen or destroyed."

A recent review by the division of highways revealed the types of sign vandalism most frequently encountered on the 14,000 miles of maintained state highways.

In rural and mountain areas heavy damage results from rifle and shotgun blasts, particularly during hunting seasons.

Womack urged unthinking target shooters and other potential offenders to refrain from damaging or removing signs.

"In this way you will be saving your self and other taxpayers a lot of money, and you will not be responsible for a needless accident," he said.

Highway officials pointed out that willful destruction of highway signs is a misdemeanor punishable by a maximum $500 fine, six months in jail, or both.

BE CAREFUL WITH FIRE

LYDIA CRAIG FETED AT SURPRISE PARTY HELD IN FLORISTON

A surprise miscellaneous bridal shower was held June 19 at the home of Mrs. Lester Felesina of Floriston. Lydia Craig was the honored guest and Mrs. Byron Miller co-hostess.

Gifts were under an umbrella decorated in pink and white, the same color combination being carried out in the table appointments. A lovely bride doll was a center of attraction. Flowers of white iris and pink peonies from the garden of Clema MacMillan highlighted the decorations.

Those present were Mesdames Lester Felesina, Clema MacMillan, Joe Reichlin, Ray Yurich, Eddie Zuchinni, Willie Raber, Charles Gordon, David Germain, Tom Derting, James White, Mertie Hoskins, Ivy Cochrane, Leo Suter, James Helman, Thurman Davis, Hap Savage, Byron Miller, Wesley Craig, Thomas Kirby, all of Floriston; Willis Burroughs, Truckee; Lee McLane, Reno; Jerry Culbertson, Sam Faulkner, Kings Beach.

The wedding of Lydia Craig to Ronald Kirby will take place July 2 at 2 p. m. in the First Christian Church of Reno. A reception follows the ceremony at the American Legion Hall, 9th and Ralston, in Reno.

LOCAL GOVERNMENT COSTS $323 PERSON

SACRAMENTO — (CNS) — The cost of local government in Nevada County amounted to $323.35 per person during the 1959-60 fiscal year, State Controller Alan Cranston reported today.

The statewide figures, latest available for per capita local government costs, showed the county as No. 21 in the state for government costs.

Not all of this expenditure came from local taxpayers, Cranston said, as the figures represent the combined expenditures of cities, counties, school districts and special districts. There are many state subventions to all of these districts.

Thus Alpine County, with a figure of $860 per person, had the highest per capita expenditures. But most of the money came from outside the county. The county received $73,000 in highway users taxes alone which, when applied to the county's population of 300, means some $243 of the $860 spent was just from that source.

Mr. and Mrs. Alfred Herman of Los Angeles have opened their place at Tahoe City for the season.

Tips on Touring

By Carol Lane
Women's Travel Authority

City Driving

Driving in a big city is like driving in a small one—only more so. If you're a reasonably experienced driver, you'll have no trouble. Why not visit a big city on your next vacation trip?

Brief yourself on the main routes. Your Shell dealer can usually supply a detailed map.

Be prepared for a slightly faster pace. Stay extra alert to other drivers and-or pedestrians.

As much as possible, stay in the same lane. Keep moving with the traffic—not faster or slower.

Always give pedestrians the right of way.

Don't crowd the car ahead. As a tip off on sudden stops, watch the car ahead of the one in front of you.

Signal all turns and movements from one lane to another. Anticipate your turn-offs and get in the proper lane well ahead of time.

When passing cars parked at the curb, watch for people getting out on the street side, and for children darting into the street from between the cars.

For some sightseeing tours, you do better to park your car and take a taxi or a sightseeing bus.

City parking signs can be tricky. To avoid a fine (or even having your car towed away) double check the sign's message before parking.

Watch your gasoline. Stop-and-go driving gulps it up.

FISH, GAME TOPIC AT SACRAMENTO MEET

A regular meeting of the Sportsmen's Council of Superior California was held at Rafferty Hall, McClellan Field AFB, Sacramento, on June 15. Action taken by the recently adjourned legislature in the fish and game field was a major topic of the session.

Generally speaking, those present expressed general satisfaction with legislation adopted. A major share of credit for favorable action was given Assemblywoman Pauline Davis of Portola for her untiring efforts in behalf of the sportsmen.

Robert E. McMullen, legislative representative, reported that fish and game commissioner Jamie H. Smith, vice president, ran the meeting of the state fish and game commission on May 26 in a very business like way, giving the sportsmen an opportunity to be heard first, and the department later, this procedure has not been followed generally in the past. The organized sportsmen of northern California are very pleased with the seasons and bag limits as set by the commission for this year, McMullen said.

A documentary film by KCRA of the Donner ridge fire, "The Black Harvest," was shown to the council and thoroughly impressed all present. The council members extended personal thanks to Stan Atkinson and Harry Sweet of KCRA TV for making the film available.

"Sportsmen of the Month" award went to Zeb Barton, council treasurer. He is past president of Yolo Sportsmen Association and a past member of the board of directors where he served many years.

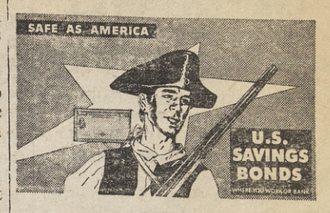

Japan Earthquake

The earthquake in Japan in 1923 which leveled Tokyo and Yokahoma caused the death of an estimated quarter-million people.

Mrs. Jody Maher and Miss Beatrice Maher have returned from Palm Springs and will be at Meeks Bay until the end of the season.

Mr. and Mrs. Joe Hutchison who lived here during the VIII Olympic Games have recently moved from Berkeley to San Diego.

The U. S. nickel is 75 per cent copper; one one-quarter nickel.

NOTICE OF HEARING ON PETITION FOR ANNEXATION OF TERRITORY TO TAHOE CITY FIRE PROTECTION DISTRICT

NOTICE IS HEREBY GIVEN:

That on the 13th day of May, 1961, there was filed with the Board of Fire Commissioners of Tahoe City Fire Protection District a Petition to annex territory to said Fire Protection District, pursuant to and in conformity with the provisions of Section 14,211 and following of the Health and Safety Code of the State of California;

That the names of the persons signing said Petition, there being 54 signers thereto, are as follows:

Jake P. Obexer, Joseph E. Pomin, Herbert P. Obexer, Albert J. Fanger, Raymond G. Kettenhofen, William V. Robinson, Edmund A. Thomson, Florence L. Thomson, Daniel C. Mawhinney, Louis F. Conrad, Rudy B. Schwieger, David L. Walling, G. A. Gehlert, George T. Schlumpf, Mrs. Jean L. Callender, Charles E. Cushman, Foster A. Record, Mrs. Edna B. Obexer, Benjamin F. Callender, Hedwieg Y. Tiedemann, Herman C. Tiedemann, Ralph E. Rauscher, Robert F. Eastaul, Grace Gehlert, Mrs. Elizabeth E. Pomin, Mrs. Clara Gertrude Conrad, Willie M. Arnhold, Leland A. Thomson, Florence I. Searle, Helen D. Rauscher, Warren Joshua Urch, Mrs. Vera Mawhinney, Mrs. Joan Walling, Mrs. Minewia M. Thomson, Mrs. Barbara Easton, Matthew L. Hodge, Mrs. Ruby L. Hodge, Walter Domercq, Thomas L. Quinn, Robert W. Cushman, Sylvia E. Cushman, Jack F. Dempsey, Galda Mae Domercq, Joseph T. White, Mrs. Blanche E. White, Katherine E. Kettenhofen, Leah M. Urch, Muriel O. Robinson, Harry Jordan Walker, F. A. Kilner, Ivan W. Wilson, William A. Verner, Max E. Hoff, Unie Hoff, F. B. Sederberg, Mrs. Irene M. Quinn.

That the location and boundaries of the lands described in said Petition are continguous to Tahoe City Fire Protection District and situated in the County of Placer, State of California, and more particularly described as follows:

Beginning at the intersection of Blackwood Creek with the West line of Section 36, T15N-R16E M.D.M.; thence South along the West line of said Section 36 to the Section corner common to Section 35 and 36 T15N-R 16E and Section 1 and 2 T14N-R16E; thence Easterly along the line common to the South line of Section 36 T15N-R16E M.D.M. and the North line of Section 1 T14N-R16E M.D.M. to the Northeast corner of the Northwest Quarter of the Northwest Quarter of said Section 1, said point being identical with the Northwest corner of Lot No. 1 of said Section 1; thence S. along the West line of lots 1 and 2 of said Section 1 to the Southwest corner of Lot 2 of said Section 1; thence South along the North-South centerline of the Northwest Quarter of said Section 12 and the North-South centerline of the Southwest Quarter of said Section 12 to the line common to Section 12 and Section 13; thence East along the Section line common to Sections 12 and 13 to the Section corner common to Section 12 and 13 T14N-R16E M.D.M. and Sections 7 and 18 T14N-R17E M.D.M.; thence South along the line common to Section 13 T14N-R16E M.D.M. and Section 18 T14N-R17E M.D.M. to the Quarter corner on the West line of said Section 18, being an angle point on the boundary line between Placer County and Eldorado County; thence following the boundary between Placer County and Eldorado County on the following four consecutive courses: (1) East along the East-West centerline of said Section 18 to the center of Section 18, (2) North along the North-South centerline of Section 18 to the Quarter corner on the North line of said Section 18, (3) East along the North line of said Section 18 to the Section corner common to Sections 7, 8, 17 and 18 T14N-R17E M.D.M. and (4) East along the North line of Section 17 T14N-R17E M.D.M. to the ordinary low water line of Lake Tahoe; thence leaving the boundary line between Placer County and El Dorado County and running Northerly along the said low water line of Lake Tahoe to the mouth of Blackwood Creek located in Section 36, T15N-R16E M.D.M.; thence Westerly along the centerline of said Blackwood Creek to the intersection with the West line of Section 36, T15N-R16E M.D.M., the point of beginning.

The subdivision of the Sections hereinabove referred to are as per Government Survey.

That the prayer of said Petition is that the lands therein described be annexed to Tahoe City Fire Protection District, said lands not being within the limits of any other fire protection district, and that the same are without adequate protection to life and property, and that the same will be benefited by annexation and inclusion thereof in Tahoe City Fire Protection District.

NOTICE IS FURTHER GIVEN: That on the 14th day of July, 1961, at the hour of 8:00 o'clock p. m. at Community Hall, Tahoe City, Placer County, California, hearing will be had on said Petition for Annexation, at which said time all persons interested in or affected by such change in the boundaries of Tahoe City Fire Protection District shall appear and show cause, if any they have, why such change in the District boundaries should not be made.

Dated: June 22, 1961.

CHRISTIAN SCIENCE
Meets at Wyethia Clubhouse, Truckee.
Sunday School: 9:30 a. m.
Morning Services: 11 a. m.
Evening services will be held the third Wednesday of the month during July, August and September only.
How obedience to the law of God opens the way to freedom will be explained Sunday at Christian Science church services.
Among scriptural passages to be read in the Lesson-Sermon entitled "God" is one from Psalm 119: "Teach me, O Lord, the way of thy statutes; and I shall keep it unto the end . . . and I will walk at liberty; for I seek thy precepts."
Man's right to freedom is also brought out in selections from "Science and Health with Key to the Scriptures" by Mary Baker Eddy which will include: "Discerning the rights of man, we cannot fail to foresee the doom of all oppression. Slavery is not the legitimate state of man" (p. 227).

The Bumper Hugger

This is a picture of a bumper hugger—framed in the rear view mirror of your car. Ugly, isn't he? He's really not on your side, you know. Give him a chance and he'll involve you in an accident. The AAA Foundation for Traffic Safety urges you to allow at least one car length between yourself and the vehicle ahead for every 10 mph you are traveling. Then, if the car in front halts suddenly, you'll be able to stop in time. P.S. The character above would never make it!

Illustrations Copyright UPA Pictures, Inc.

AFFAIRS OF STATE
by Henry C. MacArthur

SACRAMENTO — (CNS) — Two pieces of legislation adopted in the final hours of the 1961 session will bring the biggest change to state government that has occurred in years.

They were SB699 by Senator Randolph Collier, Yreka, and AB1593 by Assemblyman Gordon H. Winton, Jr., Merced, calling for a beginning to reorganization of state government.

The Collier bill establishes a transportation agency, taking over the present departments of public works, motor vehicles and highway patrol. The Winton bill sets up three new agencies, resources (part of natural resources, water resources and fish and game) youth and adult corrections (departments of corrections and youth authority); and health and welfare (taking over public health, mental hygiene and social welfare).

The late passage of the bills attested to the uncertainty with which they were viewed during the regular session. In addition, bills which would have permitted the governor to make executive reorganization on his own, subject to veto by either house of the legislature, were dropped.

Governor Edmund G. Brown pushed hard for passage of the reorganization bills. He said there currently were too many department chiefs—more than 30—who were directly responsible to him and this was too unwieldy a group. Under the agency set-up, only the top administrator would be directly responsible to the governor, with men at the level of present department directors reporting to the head of the agency.

In addition to the streamlining of government, it was hoped by supporters that the reorganization would eliminate much duplication of work in departments which are in similar fields. The bills take effect Oct. 1 and Brown has estimated savings would run into millions of dollars, even in the first year of operation.

Opponents of the measures felt it merely would be adding more high-level brass, with the agency administrators drawing $25,000 a year. They feared that nothing would be eliminated in the reorganization, with all present levels of administrators maintained at those levels or higher.

The fear of empire building also was apparent among lawmakers. In fact, this fear resulted in definite action by the senate in refusing to permit the department of water resources to decentralize its operations by setting up branch offices in Fresno, Redding, San Jose and elsewhere. The action, included in budget language, was directed against William E. Warne, water resources director who is expected to head the new resources agency.

The resources agency, incidentally, was amended late in the game to exclude the department of agriculture, which will continue on its own.

Only time will tell whether Governor Brown and his supporters were right or whether the pessimists who viewed reorganization as a blank check for the bureaucrats were rights.

It is curious to note, however, how directions of the legislature change in a relatively short time. The resources agency, for instance, will include the department of water resources, which was created only in 1955, being separated from public works. It will also include fish and game, which was set up in 1951, and the division of small craft harbors created in 1957.

The transportation agency will find the department of motor vehicles and highway patrol back together again as they formerly were under a single agency. Thus, if the experiment is not successful, there may be bills in another six or eight years to split the agencies all over again.

Tahoe City

The annual fireworks display, sponsored by the Tahoe City Volunteer Fire Department, will be given this year at the Tahoe City Commons at sundown on Tuesday, July 4. Looking forward to these fireworks are hundreds of out-of-towners as well as all the residents.

Bob Scoville is chairman of this year's event and he is being assisted by the entire fire department crew, including Pete Vanni, Bob Stark, Harold Farr and Bob Jorgensen. In charge of the donations collection are Bill Bechdolt and Basi Kehoe.

* * *

At home in their Tahoe City home after a Monterey honeymoon are newly-weds Mr. and Mrs. Mike LaFerriere. Mrs. LaFerriere is the former Debbie Bradley, oldest daughter of Mr. and Mrs. Ray Bradley of Timberland.

The young couple was united in marriage at a nuptial mass ceremony held at the Corpus Christi Church in Tahoe City on June 17. Father P. J. O'Neill officiated at the ceremony.

Attendants at the ceremony were Miss JoAnn Pomin and Mr. Tommy Sheehan.

* * *

Planning a year-round residency at her home near the Highlands is Mrs. Stella Watson, member of a pioneer Tahoe family. Recent house-guests of Mrs. Watson include Mr. and Mrs. John Stevens of San Francisco who were Tahoe residents more than 25 years ago and Mrs. Vena Roberts of Pennsylvania who was making her first visit to the "Lake of the Sky." Also visiting Mrs. Watson last weekend was her son-in-law, Mr. George Collins of San Rafael.

* * *

San Francisco visitors last weekend were Mr. and Mrs. Charles Cross, Sr. of Tahoe City.

* * *

Planing to Los Angeles on Saturday are Mr. and Mrs. Ernie LePire of Lake Forest. A highlight of their southern California visit will be attending the 50th wedding anniversary celebration of Mr. LePires sister and her husband, Mr. and Mrs. E. M. Rivard of Long Beach.

* * *

New residents of Sparks, Nevada, are Mr. and Mrs. Tom Coster and family who have been Tahoe City residents for several years.

* * *

Celebrating a birthday Tuesday was Charley Nielsen of Tahoe City. Helping him celebrate at a dinner party were Mrs. Nielsen and Mr. and Mrs. Bob McClanahan of the Highlands.

* * *

Little Charlene Keehn is at home after a short stay at the Tahoe Forest Hospital where she was treated for injuries sustained in a fall last week.

* * *

Mr. and Mrs. Bob McLane of Berkeley spent this week at their Tahoe Tavern Heights residence. They were accompanied by children Erica, Jeff and Tony. The McLanes are former year-round residents and Mrs. McLane a former Sierra Sun correspondent.

* * *

Dr. S. M. Dingwall of El Cajon and Tahoe City opened his home here this weekend. He will be joined by Mrs. Dingwall and two daughters in two weeks. The family plans on spending the summer and fall in residence here.

* * *

Houseguests this week of Charley and Mabel Nielsen are Miss Vivian Dunbar and her nephew Darian Dunbar, both of Los Angeles.

* * *

Visiting Mr. and Mrs. Jim Baker at their Tahoe City home last weekend was Mrs. Bakers father, Mr. Dick Leuschner, Sr. of San Francisco.

* * *

Mrs. Mary Rebholtz of San Francisco is vacationing at her Tahoe City home this week.

* * *

Vacationing this week with Mr. and Mrs. Bob Jorgensen at their Tahoe City home are Mr. and Mrs. Ted Maricle and their five children of Everson, Washington. Mrs. Jorgensen and Mr. Maricle are cousins.

* * *

Enjoying a Tahoe summer is Dr. Lloyd F. Haney of San Francisco who is vacationing at his Tahoe City residence.

* * *

Mr. and Mrs. Ernest Hoxsie of Tahoe Tavern Heights are hosts this summer to Mrs. Hoxsies mother, Mrs. Laura Zane of Santa Barbara. Miss Shauna McKinney, Mrs. Hoxsies niece, is another Hoxsie house-guest.

* * *

Oakland visitors last weekend were the Jack Holleys of Pineland. Returning with the Holleys for a Tahoe vacation was Mrs. Holleys niece, Miss Marla McNear.

* * *

Entertaining his young friends at a party last Friday night was Tommy Hoff, son of Mr. and Mrs. Max Hoff of the Chamberlands.

SWIM CLASSES HELD SUCCESS IN DISTRICT

Through the cooperation of the Truckee Elementary P. T. A., William Newsom, Mr. and Mrs. Fred Onorato, owner and managers of the Olympic Village Pool, John Bulmer, manager and the board of directors of the Squaw Valley Inn pool, it was possible to organize 130 children into a successful two week Red Cross swim program for beginners.

Every child taking part in the program learned some the fundamentals of learning to swim and those completing the 20 skills necessary to receive their Red Cross achievement cards were: Chris Wiser, Kathy Wilson, Sandra Poulsen, David Capel, Gail Shackelford, Cam Houlgate, James Stone, Ray Wiser, Allan Purdy, Brian Smart, Bessie Bennett, Aaron Densley, Carla Densley, Creighton Lund, Richard Martin and Jack Melugin.

A few children were able to start intermediate classes during the second week and Kathy Wilson from Squaw Valley completed the course.

The P. T. A. wishes to thank Jan Huelle the instructor at the Olympic Village pool and Willem Parson instructor at the Squaw Valley pool.

Thanks also go to Dr. H. P. Tapia, Skip Ferdinand, Fosten Wilson and Victor McLane for organizing the groundwork, Bob Hackett and Sue Stone, organizers at the pools and Mrs. John Houlgate for taking care of pre-school children of the mothers helping during the program.

The lessons could not have been held without the help of the pool aides Dorothy Fordham, Pat Fink, Joan Jellin, Linda Giovannoni, Pat Vind, Marsha McLane, Evelyn Hintz and the leaders Mrs. Virus, Mrs. Manley, Mrs. Waller, Mrs. Wiser, Mrs. Money, Mrs. Hill, Mrs. Hughes, Lelani Braasch and Mrs. Braasch and from Squaw Valley Mrs. Morton and Mrs. Kelley.

CHANGES ARE MADE IN WATER COMPACT

SACRAMENTO — California members of the California-Nevada Interstate Compact Commission adopted a series of revised recommendations on allocation of the waters of the Truckee River and its tributaries.

The members agreed to recommend increasing the Truckee's allocation if there is an increase in runoff in California because of changes in land use. It had been previously decided to deliver 25,000 acre feet of water a year to the basin for "beneficial consumptive uses."

The commissioners approved a recommendation requiring reservoirs developed for uses other than irrigation to yield one acre-foot more of new water for each 10 feet of capacity when operated in conjunction with nearby reservoirs. If this is not possible, the reservoirs must operate at maximum capacity.

Members also agreed on a recommendation to export from the basin enough water to satisfy other agencies with vested rights.

BUTCH POWERS WILL SEEK GOVERNOR JOB

SACRAMENTO—(CNS) — Former Lieutenant Governor Harold J. (Butch) Powers, a Republican from Modoc County, became the first official candidate for governor in 1962.

Powers served as state senator for 23 years, including seven years as president pro tempore of the senate. He was lieutenant governor for six years, having graduated to that spot in 1953 and winning election in 1954.

Powers said he was a sincere believer in the primary election system of selecting candidates for office, rather than the "smoke-filled room" type of selection.

Mrs. Georgia Lambert has come from Auburn for her usual visit at Tahoe City.

MUSEUM DELAY

(Continued from Page 1)

sion on the exact location for the new $200,000 structure.

It was held by some of the officials attending the ground breaking ceremonies that a site near the edge of Donner Lake, first selected by the state division of beaches and parks, would be of far more beauty than the alternate location near the Donner Monument which is surrounded by trees. This makes a clear view of the surrounding area, including the lake and mountains impossible.

Clyde Newlin, assistant director of the division, who was among those attending, asked that work be halted until Charles DeTurk, chief of the division, and others in command could be consulted.

Also attending the ground breaking Monday were M. M. Whittaker, assistant district supervisor of beaches and parks and Orval Johnson of the department of architecture, who will be in charge of the construction.

President Ivan Tofft of the Truckee Donner Chamber of Commerce and Chamber Manager N. F. Dolley were also present and broke the ground for the structure. Jack Stowe, superintendent of the park, was host on the occasion.

Work on either of the two sites is scheduled to start immediately.

CAUSEY WINS FIRST IN STOCK CAR RACES

RENO—First driver this season to get the checkered flag for three main events in the Reno Stock Car Association races at Reno is Harry Causey. Cheered by 500 spectators and owner Glenn Coffey, the red and gray rocket piloted by Causey worked up to top spot in real style Saturday.

Causey also won the fourth heat race, took second in the fast trophy dash and marked second in the time trials. He brought his point standing up by a large 38 points to give him a firm grip on first place for the season.

Another local repeator this season is Ron Gautsche also of Truckee. Car No. 8 was voted the best looking car for the second time. As third man on the totem pole in points. Ron's chances look good for a successful year.

Gautsche was 8th in the main event, George Davis was 9th and James Harris was 13th. All are from Truckee.

ON ROAD TO FAME — Pretty Kathleen Robinson, 18, shapely San Jose damsel, above, has set her heart on being crowned "Maid of California," and became the first beauty to formally enter the annual contest, which will feature the '61-derful' State Fair, August 30 thru September 10 at Sacramento. And the ambitious lass has her eye on the subsequent "Miss California" and "Miss America" contests.

SACRAMENTO MAN TO IMPROVE LAKE LAND

Kim Mosier, Sacramento real estate investor-developer, has purchased 28 acres between Emerald Bay and Tahoe Tavern, overlooking Lake Tahoe, from Dr. Lawrence Smith of Sacramento.

Mosier said he is developing the property into lots one third of an acre and larger. The acreage is adjacent to a 40 acre site which is to be subdivided on a joint venture basis.

DEL COURTNEY WILL PLAY NEVADA LODGE

Dinner-dancing every night to the music of Del Courtney and his orchestra, well-known northern California band-leader and radio personality, is one of the new summer entertainment policies instituted in the Nevada Room of the Nevada Lodge, the north end of Lake Tahoe's largest resort-hotel-casino.

The Nevada Room, the theater-restaurant of the lodge, will also feature a three-a-night show policy starting June 30, according to Carlton Konarske, general manager of the lodge.

The opening show will star sophisticated, vivacious Ruth Wallis, billed as "America's Number One Singer of Saucy Songs."

In addition to the new show and dinner-dancing policy, visitors to the Nevada Lodge will find increased accommodations and recreational facilities due to the completion of a major modernization program started last fall. The swimming pool and sun-deck have been enlarged and remodeled. The parking lot has also been expanded; it now is the largest parking area at the north end of the lake.

Inside the lodge, the casino play area now covers two floors. TV sets have been installed in nearly all of the 100 modern rooms

MARRIAGE LICENSES

Gary Leonard Thisby, 20 years of age, of Truckee and Miss Viola Lee Fouch, 17 years of age and a Crystal Bay resident were issued a Nevada marriage license during the weekend.

A Kings Beach couple who also went to Nevada for their license to wed are Joe Bargas, 32 and Christine McKennon, age 23.

A marriage license of interest at Soda Springs was issued in Nevada to Patrick Howard Jinks, 48 and Marion E. Allyn, 43 both of Soda Springs.

CLUB TO MEET

Members of the Shadow Valley Country Club will meet in the club house at 8 p. m. Monday, July 3 in a regular session of business. Charles Fink will preside.

Mr. and Mrs. Glen Miller and children returned to their home in San Luis Obispo Tuesday after visiting with Mr. and Mrs. Jim Souter en route from Oregon where they had also seen relatives.

The birthdate yesterday of Lauren Russell will be closely followed by the wedding anniversary of Mr. and Mrs. Russell, giving their friends a double opportunity to wish them many years of happiness.

Mr. and Mrs. Carl Rimbey and sons, Neil and Glenn of Quincy were weekend guests of Mr. and Mrs. Robert Leamon. Rimbey is the Plumas County farm advisor.

Mr. and Mrs. P. H. Greenhouse returned Monday from an extensive trip through Mt. Lassen Park, the Caves of Oregon, Redwood Empire and a week at Clear Lake.

who will be in charge of Verdi Peak Lookout.

Acting as tank truck operator and assistant foreman is Ray Lierman of Reno.

Fire suppression crew members are Tom White, Tim Newcomb, John Kirrene, Wendell Allen Terry Burns, Jim Westall and Ronald McBride.

Fire prevention patrolmen are Wade Rowse, Al Silva, Roger Johns, "Doc" Thornton, Bill McGree, Don Vernier, Tom Pendergast and Leslie Siemer.

Ed Fischer has returned as trail crew foreman and will be assisted by Tom Seaton. Mrs. Betty Fischer is again the fire crew cook. Campground caretakers are Chris Matzen and Clarence Reinseth.

Scalers assisting in harvesting the salvaged timber of last year's Donner burn are Paul Pratt, Len Miller, Don Huber, John Roche, and two forestry seniors, Hulton B. Wood from Humboldt State College and Stan Norton from Oregon State College.

District Ranger Roy W. Saarni anticipates an exceedingly busy year for all of the district personnel with the predicted high fire danger and the heavy work load in timber management, recreation, and other forest uses. Last Sunday's 18 lightning fires gave the organization a real testing. Only one of these fires exceeded ¼ acre in size in spite of dry forest conditions.

REGATTA

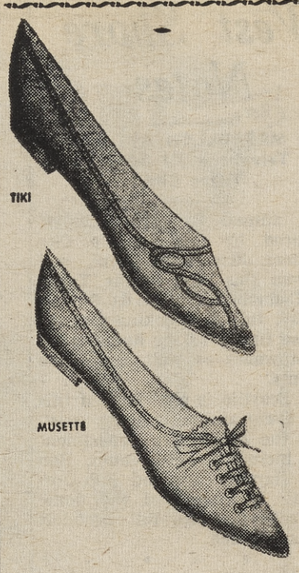

(Continued from Page 1)

and her court will officially open the Donner Lake Regatta which will be televised by Bob Carroll of Reno's KOLO TV.

This is the third time in 12 years that Regional Championship Racing will be held at Donner Lake. First, second and third place winners from this race will compete in the National Championships to be held in August.

This Saturday, July 1, Miss Donner Lake and her court will appear on the Bill Rase Show at 4 p. m. along with Mrs. Emery Lander to invite everyone to the Donner Lake Regatta. On July 4, the six beauties will appear in the Nevada County Bonanza Parade and this Friday evening at Blyth Arena, the six will appear on ice at the Memorial Benefit for our team we lost in an airplane crash. Funds raised Friday will be used to promote a new United States Olympic Team.
